This is one of the patrols (mine) cooking breakfast for themselves on camp. If you would like to do fun activities like: raft building, cooking, athletics, making climbing frames and have camp-fires then just get in touch on the 4<sup>th</sup> scouts website: [www.4thnewburyscouts.org.uk/](http://www.4thnewburyscouts.org.uk/). Its on a Monday night 7:30pm until 9:15pm (more details on the website).
