

Camp doughnuts

To serve a hungry Patrol!

Ingredients

- 2 eggs
- 200g plain flour
- milk or water
- 1 loaf of white bread
- jam/chocolate spread or any other filling that sounds tasty
- vegetable oil for cooking
- sugar to serve

Method

- Mix the eggs and the flour with milk or water until you get the thickness of double cream – leave to stand.
- Cut the slices of bread in half. Spread one side with the filling of your choice and fold up to make a sandwich.
- Dip in the batter mix.
- Cook in hot oil on both sides until golden brown and crispy.
- Cover in sugar and eat. Watch out, as the filling will be hot.

Note: You can use a pre-made pancake mix if preferred – just make it a bit thicker than normal.
