

Fruity Chocolate Nests

For fruity chocolate nests to feed 6 you will need:

- 2 kiwi fruits
- 8 large strawberries
- 450g plain chocolate
- 2 tablespoons golden syrup
- 100g butter
- 150g rice crispies
- 300ml double cream
- 1 Sharp knife
- 1 Chopping board
- 1 Large billie
- 1 Wooden spoon
- 1 Sheet of baking paper
- 2 Teaspoons
- 1 Measuring jug
- 1 Whisk

1. Peel, halve and slice kiwi fruit. Wash, hull and slice the strawberries.
2. Break the chocolate into squares and put in the billie with the golden syrup and butter. Heat gently until the chocolate melts.
3. Add rice crispies to the mixture and use the wooden spoon to stir to coat.
4. While the mixture is still hot, use the 2 teaspoons to shape each portion into a round and hollow out the centre to make a nest. Set aside for 10 minutes, until set.
5. Whip the cream into soft peaks.
6. Arrange the chocolate nests on 6 plates. Fill with spoonfuls of cream and top with the sliced fruit.

Yummy!
